National News—1965

1 *A Wave for Friends*—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 *Pioneer in Space*—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 *Medicare Bill Signed*—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 *Temporary Mood*—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 *Double Space Spectacular*—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 *Plea for Peace*—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 *After Surgery*—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

8 *Proud Student*—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 *Blackout*—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 *New Ambassador*—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 *Startling Fashions*—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 *Royalty on Tour*—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

Someone has wisely said that . . .

"The world steps aside to let any man pass who knows where he is going."

Our seniors have discovered the truism of this statement as they have watched several "worlds" step aside while they have moved with steadfast steps toward their diplomas, setting an example for others to follow.

Today's students are a part of the space age generation and their school experience explodes their first grade world into a universe of many "worlds" revolving around the school system.

The PHOENIX proudly records these several "worlds" of Denton High School: satellite "worlds" of beauty and achievement, of athletic prowess, of varied organizational activities, orbiting around the pursuit of knowledge through the classes. These pictured pages are more than visual memories: they are reminders of other "worlds" still to be ultrapassed.

PRINCIPAL'S MESSAGE

Is your life going forward or backward? You may be sure that it is going one way or the other. We never stand still. Look at the table before you; it appears to be made of solid material. That solid material is composed of atoms, all in violent agitation, going about orbits, the whole thing in turbulence.

Everything in the universe, so far as we are able to observe, appears to be in motion. There is no such thing as absolute stillness and inactivity anywhere. If you think your life has attained a certain stability and will there remain, dismiss that idea from your mind. To the last moment of our lives we will either go forward or backward. After a certain age we start to go backward physically, but there is no reason why we should ever cease to go forward morally, mentally, and spiritually. To the last moment of our lives we can learn something. To the last moment of our lives we can do something which the world needs to have done.

RENEE CHOSEN MISS DENTON

Renée Surratt

Paula Gallimore, Miss Denton 1964-1965, discussing her year's reign with Master of Ceremonies, Reese Felts.

Judges getting acquainted with Miss Denton contestants.

Renée with Amy Sexton, right, first runner-up and Wanda Gallimore, left, second runner-up.

There comes a time each year when another young lady in Denton is chosen to reign as Miss Denton.

The Miss Denton Pageant, customarily held in the fall, is sponsored by the Lion's Club. For weeks the Pageant committee makes plans, gets judges, advertises, works with contestants, tends to last minute details, and finally decorates. Then the big night comes and everyone is excited. Before the actual judging, the judges meet and talk to the contestants informally. After this, the contestants begin their formal appearance on the stage. All the contestants are viewed and five are chosen as semifinalists. These five are asked questions which they must answer on stage. The two runners-up are announced and tension builds. At last, the moment everyone has been waiting for -- the new Miss Denton is announced.

Last Minute Adjustments

MISS PHOENIX

Wanting to know whom others might consider most beautiful among their classmates, the senior class named its favorite five and had their pictures sent to Jimmie Kilgo of station WSOC, Charlotte, North Carolina for his opinion. On the basis of these pictures alone, Jimmie picked NANCY GORDON as MISS PHOENIX. All agree that Jimmie had a hard choice to make!

"SPLASHTACULAR" HOMECOMING

"Splashtacular" is the word to describe Denton's homecoming. Although the weatherman called for rain, no one believed that such a thing could happen the weekend of our homecoming. Being confident that it would be fair and bright, everything began as planned.

A colorful parade started the festivities off with a bang. After a parade came Thursday night, our annual bonfire and what we had feared, "rain".

Friday morning Denton students greeted one another dressed in red and white. Rain continued to fall and right before the game it rained like it had never rained before. Splash! Splash! Splash! was the sound as the football players ran onto the field for the starting of the homecoming game. Despite our fine efforts Denton lost the game 13-0.

The half-time ceremony of presenting the homecoming court and crowning of the queen, Janet Floyd, was delayed until after the game. Afterwards, everyone pulled off muddy shoes and danced to the music of the Interpreters.

GIRLS STATE REPRESENTATIVES

Experience has proved that good democratic government depends upon an enlightened citizenship. To this end, the Tar Heel Girls' State has been set up by the American Legion and Auxiliary Departments of North Carolina. The purpose is to provide through practical experience an understanding of the structure of our state government and to develop within these young leaders a sense of responsibility as political citizens. Selected by the American Legion Auxiliary, Joyce Wood and Hilda Hunt spent a week last summer at UNC-G in a workshop, learning how our government operates at various levels.

MR. AND MISS RED RAIDER

Patricia Elliott and Hary Daniel were selected as Mr. and Miss Red Raider by the high school faculty at the request of the PHOENIX staff in an effort to honor the senior boy and girl who best demonstrate the spirit of Denton High School. This decision was based on curricular and extracurricular activities, efforts to improve the school, conduct, attitudes, participation, leadership, enthusiasm put into all phases of school life, and cooperation with the faculty and student body.

Congratulations to these on their recognition as the two best all 'round Red Raiders of D.H.S.!

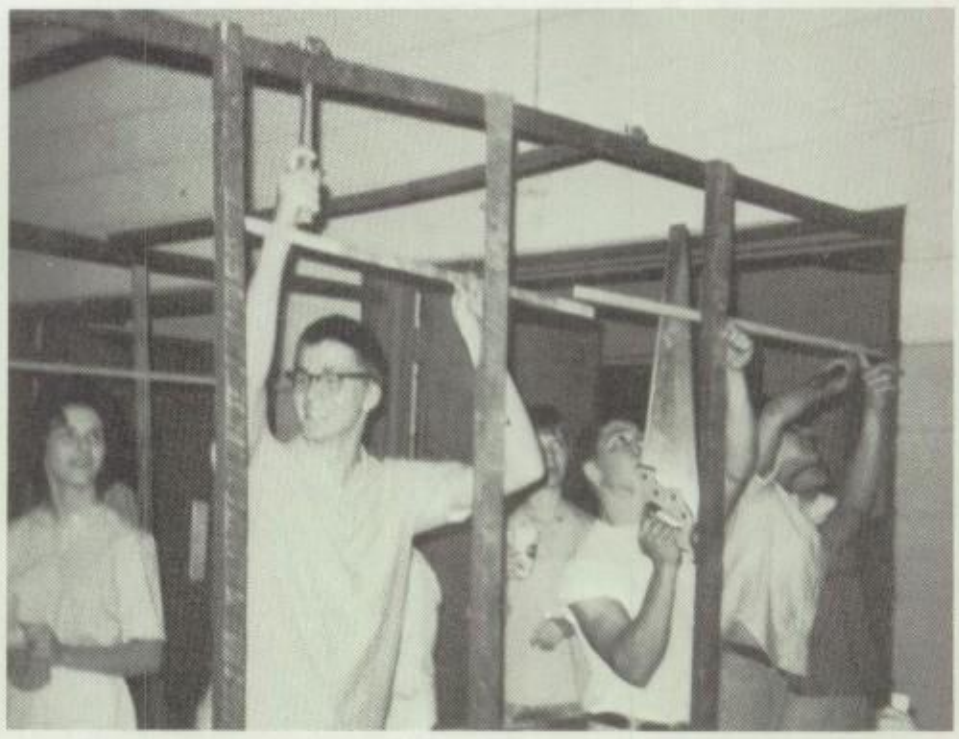
"ARABIAN



After weeks of planning and hours of work in decorating, the gym was transferred into a scene out of Arabia with all of its splendor and beauty. Arabs from the freshman and sophomore classes picked by junior vote were dressed in native costume and greeted the guests and ushered them to their seats.

Entertainment consisted of dancing to the delightful music of the Invaders and songs and dancing by the Arabs, highlighted by Ricky Surratt's interpretation of "Ahab the Arab" and Kay Taylor's singing of "Hija Baba".

A Red Raider is a student of Denton High School. But he is much more than that. He is the person who takes pride in his school and tries to correct faults he finds to make it a better place for his fellow students. He is dependable and teachers do not hesitate to call on him. Sports are a large part of a Red Raider's life. He loves going to sports activities, no matter what the weather, to cheer his team, whether winning or losing. He is the player who goes through weeks and weeks of practice to give his all for DHS. He loves to win and hates to lose. He is the football player giving the extra splurge of energy to fight his way across the goal line for the winning touchdown, the basketball player, jumping a little bit higher for that all-important rebound in the closing seconds of the game, the baseball player trying to hit the winning run in and the track runner going as hard as he can to cross the finish line ahead of the other runners. Yes, this is what a Red Raider is -- but, is this all? No -- he is still more. The Red Raider is not only a person but the spirit of the person. This spirit gives you the sad feeling you get when you suddenly come to the realization that you are a Senior and this is your last year as a Red Raider. It is the tug on your heartstrings whenever you think of "dear old DHS" and the feeling that lets you know that wherever you go, whatever you do, you will always be a Red Raider. Yes -- this is a Red Raider.

WHAT IS A RED RAIDER?

Miss Rhododendron, Jeanne Rhodes and Mr. Reese Felts.

REESE FELTS NAMED HONORARY RED RAIDER

In appreciation for his loyal and undiminishing support to our school and our athletic program, we would like to dedicate this page of the PHOENIX to a man who has shown more spirit than any other person outside of the school. Throughout the last several years he has not only attended the ball games, but has also given his valuable time to other activities such as serving as Master of Ceremonies at the Miss Denton Pageant, helping the Student Council print programs for the ball games, leading the Homecoming Parade, and giving the school two "Go! Denton Red Raiders" banners.

We the students of Denton High School take this way of expressing our thanks to our "Honorary Red Raider," Mr. Reese Felts.

BETA CLUB

The National Beta Club is an organization controlled and directed by people actively engaged in educational work. The purpose of this organization is to promote the ideals of honesty, service, and leadership among high school students of America, to reward achievement, and to encourage and assist students in continuing their education after high school. Students in many states are striving to live up to the ideals of the organization -- Achievement, Character, and Leadership -- and to the challenge of the motto: "Let us lead by serving others."

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is an organization for high school girls which prepares them for better homemaking tomorrow.

The over-all goal of the Future Homemakers of America is to help individuals improve personal, family, and community living, now and in the future. The FHA motto is "Toward New Horizons." This motto is a reminder to the members that their contributions to home life today will influence the kinds of homes they have tomorrow and that its family members will influence the community and the world. The FHA flower is the red rose which represents the search for beauty in everyday living. Red and white are the FHA colors. Red suggests strength and white symbolizes sincerity. These colors inspire us with courage and determination to succeed.

The club meets on the second Monday night in the Home Economics Building.

Some of our activities this year have included Mother-Daughter Tea, making fruit baskets for Senior Citizens, clinic favors, and attending district and state rallies.

A FADING LIGHT

The light seems to be growing dimmer;
It is now just a scant flicker.
Why is it growing dimmer instead of brighter?
Could it mean the end or the beginning?

There are many who must answer this question
As they rise from students to face the world.
Hard work is the key to success.
To be a someone or no one is left unknown.

What shall I do? Where shall I turn?
Who has the answers; who knows?
Each one holds his future in his hand,
And his decision determines his success.

Dimmer, dimmer, the light is almost out --
Twelve years drawing to a close.
Maybe the light will get brighter, maybe not,
But, somehow, we must show others the way.

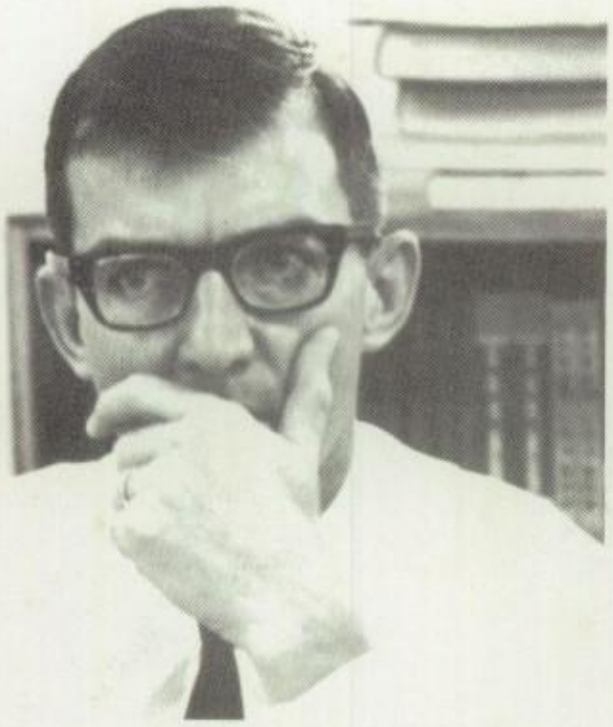
GUIDERS OF THE YOUNGER GENERATION



A teacher's daily life is full of varied activities beginning with thoughtful preparation for the day ahead. The day may involve reading poetry to the students during a quiet period, or music in assembly. Always there is individual help to be given to a puzzled child. The close of the day brings the loading of buses under the teacher's watchful eye. Then teachers turn homeward, smiling over a shared joke or because of a day well spent.

Semifinalists

Last minute touches

Miss Denton, Renée Surratt and Little Miss Denton, Susan Richey.

Each year a group of small beauties gets a chance to appear on stage. This is the time for another Little Miss Denton to be chosen.

These "little ladies" walk on stage like "big ladies." Five are chosen as semifinalists; from these, two are chosen as runners-up and finally the lucky little winner is named.

After all the excitement is over, one little girl has won the title, but all of them have won the opportunity of acting like young ladies.

Judy Smith, Vickie Snider, Paul Sexton, Eddie Gallimore, Michael Henderson, Jackie Russell.

Preparations begin for new Hi-Lite edition.

Gayle Ward, Lynn Pierce, Karen Gallimore, Denice Grubb, Larry Morris, Donald Skeen, Jeffrey Nance.

Editor, Paul Sexton runs off new edition for Thanksgiving.

JUNIOR HI-LITE

BACK ROW: Q. Bailey, R. Jones, A. Cole, R. Tysinger, J. Lanier; FRONT ROW: D. Varner, T. Lanning, D. Gallimore, J. Loflin, J. Sexton.

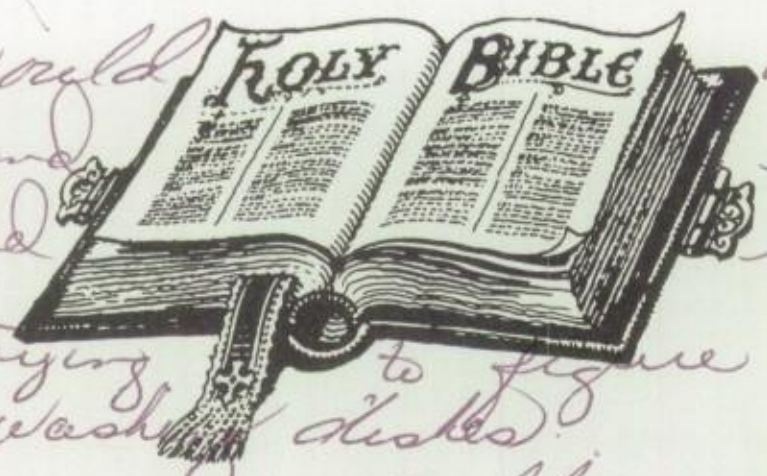
Linda,

May success and happiness be yours.

I would write this in Shorthand but you would spend the rest of you life trying to figure it out, instead of washing dishes.



May God bless and keep you always. "Blessed are the pure in heart for they shall see God." "All that saith Lord, Lord shall not enter into the kingdom of God."

The time is going to come in the near future that we each and everyone are going to separate and go our separate Way. You may think now what a joy and a pleasable time it would be. But you'll think back to the times we've had our good times and amuse ments and you will wish you could turn back the clock and do it all over again.

Like all States we have our "ups and lights" but in the end we've lived through them.

Remember the bridal bouquet at Paulette's Wedding was caught by little ole Me! Think ahead.

Always,

Dave

World News—1965

1 *Humanitarian Dies*—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 *Queen Speaks*—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 *Miss Universe*—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 *Bosch Returns*—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 *Wins in Run-Off*—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communistic candidate corroded the popularity of the 71-year-old president..

6 *Agrees to Cease-Fire*—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 *Abortive Coup Fails*—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 *Soviet Winner*—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 *Return to Desolation*—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 *Price of War*—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 *Reason to Celebrate*—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 *Colonial Rule Shaken*—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
